SENATOR KELLY: Mr. President, I just have one word for Senator Burbach. The reason that we didn't set a time certain is that 45 solid minutes with University of Nebraska Medical college in our opinion will clear the country boys and we will be ready to go with this bill and possibly this could be done by noon tomorrow and there would be no reason then to wait until Monday. But we certainly would accept Monday, but this is the reason that we did not have a date certain.

SPEAKER: Monday, and preferably tomorrow because it is...

PRESIDENT: Alright, it can be unbracketed tomorrow. OK, we are ready for the question. The question is shall the bill be bracketed until Monday. Record your vote. Have you voted? Have you all voted? Record.

CLERK: 25 ayes 13 nays.

PRESIDENT: The bill is bracketed until Monday.

CLERK: Mr. President, your committee on E & R reports that we have reviewed LB612, 611, 577, all to Select File.

Mr. President, your committee on E & R reports that we have examined and reviewed LB333 and find the same correctly engrossed. LB 423, correctly engrossed, LB 598 correctly engrossed.

Senator Goodrich has an amendment to....something...Senator Goodrich there is no bill number on your amendment.

SENATOR GOODRICH: There is a second sheet motion on that. Actually it is 443, I just wanted it printed in the Journal.

CLERK: Mr. President Senator Barnett asks for permission to print amendments to 344 in the Journal. Mr. President Senator George enters a resolution LR44. He then moves to....he has to have the resolution referred to a committee and specifically judiciary committee.

Mr. President LR 45 introduced by Senator Goodrich.
LR 46 introduced by Senator DeCamp.

Mr. President that is all of those. Now Mr. President, LB609. Motion by Senator Marvel to return LB609 to Select File for the specific amendment.

PRESIDENT: Senator Marvel.

SENATOR MARVEL: Mr. President, I've got about 25 amendments Vince, that I want too...

PRESIDENT: Senator Marvel, could the Chair suggest that you that we first vote on returning it, and hope that that passes then you can take that up.

SENATOR MARVEL: (mike not activate) out of the room but I have got a copy, and I'll try too. Is the bill back Mr. President? It has to be brought back. Where is the bill Vince.
